Brannigan 1998

1890

" He talked a  
about the past and I gathered that he wanted  
to recover something, some idea of himself  
perhaps, that had gone into loving Daisy."

Fitzgerald 1986 106

" I became aware of the  
old island here that flowered once for Dutch  
sailors' eyes —A fresh, green breast of the  
new world. Its vanished trees, the tress that  
had made way for Gatsby's house, had once  
pandered in whispers to the last and greatest  
of all human dreams." ibid 171
